Students are a very superstitious people. This is especially manifested during the session, there are many different superstitions and will take for successful delivery. At this time, many cease to face, shave, and some even wash in the hope that it will bring good luck. Some are put under the pillow textbooks or abstracts and sleep on them, someone on the exam puts 5 rubles for good luck, or take their mascot with them. The threshold of the audience step up with a certain foot and the ticket is also drawn by a happy hand. Many more confident that for exams you need to go to the clothes in which you have already been lucky to pass the exam, it is also desirable not to wash it. If you've got out of the house and forgot something in no case can you come back, and if on the road to the university, the black cat will move the road, it is better to get around, even if it is longer than twice. Some on the night before the exam scream in the Ferowork. "Holding all these rituals is certainly good, but still do not need to forget that the key to successful delivery is preparation. If neither preparation, nor these rites help you, you can contact you for online help to specialists. Of course, all these rituals are not deprived of meaning and can help you, but this is not the help of the otherworldly forces, but only psychology. You spent all the rites who usually do, you are sure that everything will go well and you will not be nervous and worry, that's it You will help you.
